Be sure to have an adult to help you make these delicious snacks!

Ingredients -

- 2 boxes pizza-dough mix
- 2 tbsp. finely chopped oregano
- 1 tbsp. olive oil
- 1/4 small red capsicum
- 1/4 small yellow capsicum
- 1/4 small green capsicum
- 1 3/4 cups pepperoni
- 1 cup grated mozzarella cheese

Directions -

Preheat the oven to 220 degrees. Put the pizza dough mix into a bowl with the oregano. Prepare the pizza dough mix as per packet instructions. Place the dough onto a lightly floured surface and knead until smooth. Heat the oil in a pan and cook the capsicums over a medium heat for 4–5 minutes until soft, then add the pepperoni and cook for a further 1 minute.

Divide the dough into 8 pieces and make a well in the center of each. Divide the capsicums and pepperoni between the dough pieces and very roughly knead them into the dough, shape the dough into balls and place them on a baking sheet. Cover with a damp cloth and leave to rise for 30 minutes. Sprinkle the balls with cheese and bake them for 20 minutes until they are golden and cooked through.

Serve the mini pizza pieces while they are still warm. Enjoy!
